Navot hi
i hope this email finds you well.
thx for the tel number of Mr Levi. do you have any idea who could he be? and how did he approached us?
did Rami pass to you my appeal for your help re the listing of a UK co asap? TrueSec if the name is free. consulting co.? if you are ready pl let me know of any obstacle which can delay it.
re Shapira i think he better get a new letter demanding response. what do you think?
pl let me know.
best
